## Water Conservation 102: Greywater and Rain Barrel Systems

---

The **Water Conservation 102: Greywater and Rain Barrel Systems** workshop provided instruction on the diversion of non-contaminated water from the home through “laundry to landscape” greywater irrigation systems. The workshop was videotaped and edited for rebroadcast on the City Channel (channel 28/29 for Comcast and Astound customers).

### The regular playback schedule is currently as follows:

- Sundays at 10 a.m.
- Tuesdays at 2 p.m.
- Saturdays at 11 a.m. (when there is no City Council meeting playback)
