FOR IMMEDIATE RELEASE

PRESS RELEASE #10.12.2017

**Subject: TLC for Kids Sports Volunteer Day at Hidden Lakes Park**

**Contact: Rica Guidry, Executive Assistant to the City Manager, (925) 372-3505**

MARTINEZ – TLC for Kids Sports (a community outreach effort aimed at improving kids' sports fields throughout the Bay Area) and the City of Martinez are partnering on a special "Volunteer Day" to be held Saturday, November 4th, from 7:30 a.m. to 2:30 p.m. at Hidden Lakes Park. This project will provide much needed renovations to the ballfields and surrounding areas to make them safer and more playable for our youth. Volunteer activities will include painting, rolling out sod, spreading infield mix, weeding, performing light landscape improvements, and completing a general cleanup of the park. Coffee, donuts and water will be provided in the morning and a barbeque lunch will be provided at noon. Hidden Lakes Park is located at Morello Avenue and Chilpancingo Parkway in Martinez.

Project sponsors include Alta Fence Company; Benjamin Moore Paints; Cowan & Thompson Construction, Inc.; Cresco Equipment Rentals; Delta Bluegrass Co.; Design Construction Custom Metal Fabrication & Repair; Ewing Irrigation & Landscape Supply; the Boris and Vera Bogart Foundation; the Martinez Youth Baseball & Softball Association; Peterson Cat; and Suarez & Muñoz Construction, Inc.

RSVP's are requested to help ensure an accurate headcount for volunteer t-shirts, giveaways, and lunch. Please contact Ryan Crawford at [Ryan.Crawford@entercom.com](mailto:Ryan.Crawford@entercom.com) by Friday, October 27th, to RSVP. All sponsors, families and friends are invited to attend this fun and worthwhile community engagement event.

A copy of the Volunteer Day flyer can be accessed [here](#).
