PRESS RELEASE #12.17.2018

Subject: City Manager Recruitment Community Input

Contact: Rica Guidry, Executive Assistant to the City Manager, (925) 372-3505

MARTINEZ – The Martinez City Council is reaching out to the community for input as it continues its search for the next city manager.

The council is currently conducting a recruitment for the candidate who will ultimately succeed current City Manager Brad Kilger who is retiring at the end of January. The application submittal period closed on November 26th. Due to the holidays, the Council expects to choose the top candidates to be interviewed in January.

In an effort to involve the community in the process, the City has posted an online survey for residents to weigh in on the qualities they would like to see in Martinez's next city leader.

A link to the four-question survey can be found on the homepage of the City's website at www.cityofmartinez.org or it can be accessed directly at www.surveymonkey.com/r/PFR2GCX.

The Martinez city manager is appointed by the City Council and is responsible for addressing the priorities established by the council, and overseeing day-to-day operations of the city. The current job description for the Martinez City Manager position can also be found [here](#).

“The City Manager is the Chief Executive Officer of the City and it is important that the City Council choose an individual who is not only highly qualified, but also a good fit for Martinez,” said Mayor Rob Schroder. “Obtaining input from our citizens on what they feel are the important issues the next City Manager should address and the key skills and attributes they should possess, will assist the City Council in that effort.”

The survey will remain available through January 11th. If the public has any questions, please contact Rica Guidry, Executive Assistant to the City Manager at rguidry@cityofmartinez.org.
