PRESS RELEASE #3.14.2019

Subject: City of Martinez Ranks Among Safest Cities in California

Contact: Rica Guidry, Executive Assistant to the City Manager, (925) 372-3505

MARTINEZ – The City of Martinez is pleased to announce that it ranked #36 on the list of the Top 50 Safest Cities in California, according to a 2019 report by SafeWise, a resource for all things in safety and security. While there are many reasons to love the City of Martinez, public safety always remains as one of the City's top priorities.

A critical task for City officials and Martinez citizens is making sure the community is a safe, equitable place to live or visit. Individuals and families find their overall satisfaction to include safety as part of their sustained quality of life. They also find a sense of community pride and many demonstrate that by giving back and making a difference at a local level.

One of the greatest assets the City has are the people who make the extra effort to report suspicious behavior, unsafe environments, and other concerns to help prevent crime. Today, ensuring the safety and security of our citizens involves collaboration, overcoming challenges, and embracing neighborhood policing, crime prevention, investments in infrastructure, to include public safety cameras, lighting, code enforcement abatement, and repairing streets.

Safety increases everyone's well-being and it builds a strong, cohesive, vibrant, and engaged community. In appreciation of all the citizens in the City of Martinez, we would like to say 'Thank You' for your help in keeping our great City safe.
