

Waterfront Park Renovation Project

On July 26, 2017 the City Council awarded a construction contract to Suarez & Munoz Contractors to renovate Waterfront Park. Construction started in September 2017 and was completed a year later. On January 16, 2019, the project was accepted by the City Council. Improvements included renovated sports fields; new field lighting; parking lot and path lights and conduits; renovated pathways; asphalt paving; various landscaping and irrigation improvements; improved restrooms; new storm drains and retaining walls; new fences and railings; new park furniture; installation of new electrical work; reconstructed parking lots; and ADA improvements. The project also included renovating the Group Picnic area and a new "tot" restroom near the play equipment.
